CAID SOLICITING MEMBERS

The Convention of American Instructors of the Deaf is soliciting membership for 1973.

If you are a teacher, administrator, audiologist, psychologist, teacher-training faculty member, student, or engaged directly or indirectly in the education of the deaf and the hard of hearing, you are invited to join CAID.

The membership dues are \$15 for regular members and \$10 for students. A subscription to the American Annals of the Deaf is included in the annual membership fee. You may make your check out to Gallaudet College and leave it with Gilbert Delgado, John Schuchman, Richard Phillips, or Doin Hicks by October 27.

AROUND AND ABOUT

The Library has 260 laminated, decorative posters available to students. Posters may be borrowed from the Library for as long as a semester.... "Signing English and Signing" will be the topic of the Graduate School Colloquium this Friday, October 27 at 3:00 p.m. in room 213 of Hall Memorial Building. William Stokoe, director of Linguistics Research, will be the featured speaker.... If you want advice on how to live to the age of 100, take a look at the bulletin board across from the Computer Center in Hall Memorial.... We regret to report that the Bisons were not able to add another game to the win column. Bowie State zapped Gallaudet by a score of 32-0. BUT, BUT, great news from our soccer team! Three wins last week!
